The Scout is a compact, high power density 12 volt rack mount DC power system that brings telecom power technology to 12 volt base station radio applications to power transmitters and maintain back ...

48 Volt DC power supplies from leading power supply manufacturers. Hundreds of different 48 Volt models to choose from. Shop for a 48Vdc power supply on-line or call us for expert assistance at 1 ...

Discover 48v 100a dc power supply with CE certification and 96% efficiency. Ideal for industrial equipment and telecom systems.

Dingbo Power diesel DC generators are ideal for backup power supply of communication base stations. This DC generator can produce up to 100 Amps and deliver reliable power for telecom, ...

The 48V 100A eFuse operates at a 100A current rating, 48V DC voltage rating, and -40°C to 50°C ambient temperature range. This 100A eFuse is ideally used in industry and home ...

The PWR-100A-48 has 9 ~ 18VDC input and 48V DC output and can be used for industrial railway control, security control, communication systems and other fields. It is suitable for applications like ...

With customized input and output voltage and current, our offerings range from 0V to 2000KV DC and 0A to 2000A. We provide AC-DC solutions for the motor category or electrical appliances testing or ...

With customized input and output voltage and current, our offerings range from 0V to 2000KV DC and 0A to 2000A. We provide AC-DC solutions for the motor category or electrical appliances ...
