Our 50KW/100KWH unit integrates cutting-edge technology into a single, streamlined cabinet, delivering a powerful and simple solution for intelligent energy management.

Enhance your energy storage capabilities with our cutting-edge 50kW/100kWh outdoor cabinet energy storage system. With a rated AC power of 50kW and a rated capacity of 100kWh, this system boasts ...

It offers a compact footprint, scalable capacity, and intelligent control, making it ideal for small factories, office buildings, retail stores, schools, and other commercial applications.

Housed in a single indoor cabinet, it combines a high-performance 50kW power conversion system with 100kWh of advanced LiFePO₄ storage, ensuring safe, efficient, and reliable energy management.

This integrated cabinet combines power modules, batteries, cooling, fire protection, and smart energy management in a single rugged unit. This all-in-one outdoor ESS merges power, batteries, and safety ...

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent energy management, and a robust power distribution ...

TommaTech Cabinet Type 60kWh-50kW Power and Energy Storage High Performance Superior performance with next generation LiFePO₄ battery technology Intelligent Management System ...

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C& I energy storage and microgrid applications. Individual pricing for large scale projects and ...
