Who is aotai electric?

Who We Are? Established in 1993, AOTAI Electric is a leading manufacturer of inverter machines, including both solar inverters and inverter welding machines. As a typical technology-oriented company, its main products reflect development level of cutting-edge technology in this field in China.

What is aotai electric solar inverter?

Its solar inverter won National Science and Technology Progress Award in 2016. Aotai Electric is the perfect solution for your home solar system. With our DC optimized technology, you harvest more energy from your solar panels and store more energy in your battery to power appliances, EVs, and provide critical backup during outages.

What makes aotai a good company?

As a typical technology-oriented company, its main products reflect development level of cutting-edge technology in this field in China. With strong R& D team, AOTAI has National R& D testing laboratory, and has achieved over 300 patents. Its solar inverter won National Science and Technology Progress Award in 2016.

Why should you choose aotai electric?

With strong R& D team, AOTAI has National R& D testing laboratory, and has achieved over 300 patents. Its solar inverter won National Science and Technology Progress Award in 2016. Aotai Electric is the perfect solution for your home solar system.

Aotai Electric Co., Ltd. is a photovoltaic inverter manufacturer with more than 30 years of inverter technology experience. We provide customers with intelligent and stable photovoltaic...

Complete Solutions For Welding & Cutting & Solar Inverter Contact Us 282 Bole Ave High-tech Development Zone, Jinan, Shandong 250101, P.R ina +86 0531-81921030

Production Tutorial on capability to over 200,000 units a year. ... Aotai"s inverter welding machine series have remained the best selling welding machine sin Co., Ltd. Solar Inverter Series ASP-22-40KTLC. ...

The sunshine irradiates on the surface of the solar panels, solar panels output DC, converted by inverter, then

output AC of the same frequency and phase with the grid, and then feed into the grid.

Established in 1993,AOTAI Electric is a leading manufacturer of inverter machines,including both solar inverters and inverter welding machines. As a typical technology-oriented company,its main products ...

solar inverters and inverter welding machines. As a typical technology-oriented company,its main products reflect development level of utting-edge technology in this field in Chi
