Why should you buy an off-grid container home?

Self-Sufficiency: Generate your own power and rely on natural resources. Off-grid container homes empower you to live independently. Equip your home with a lithium-powered solar system for maximum performance. **Ready To Disconnect And discover A New Way Of Life?**

Who is custom container living?

Founded by Robert Wagoner in 2015, Custom Container Living is dedicated to delivering exceptional, environmentally conscious homes. From solar power integration to innovative water systems, our homes are designed to help you reduce your reliance on external resources and thrive off the grid.

Why should you choose a container home?

Container homes make it possible to create a secluded retreat or a remote homestead. Built to comply with building codes, they offer the versatility needed for any location. **Affordability:** Save thousands each year with no utility bills. Off-grid living helps reduce costs while offering a high-quality, energy-conscious lifestyle.
