What is a multitenant outdoor cabinet?

Vikiner's multitenant outdoor cabinets enable multiple operators or equipment types to share the same protected infrastructure. Segmented internal layouts and isolated compartments ensure electrical and thermal separation, making them ideal for shared telecom or co-location sites. Get technical specifications and pricing tailored to your project.

What is the difference between vehicle-mounted and sledge-mounted mining equipment?

The vehicle-mounted type is suitable for mobile power supply of surface mining equipment in mines, and the sledge-mounted type is suitable for open-pit mining and power supply occasions without fixed foundations.

What is a mining mobile substation?

**PRODUCT OVERVIEWS** Mining mobile substations are divided into vehicle-mounted and sledge-mounted types. They adopt a modular design and integrate a high-voltage switch room, a transformer room, and a medium-low voltage switch room.
