Is GCL a medium sized solar panel manufacturer?

This makes GCL a medium sized solar panel manufacturer. On 19 December 2018, all GCL solar panels were de-listed from the Clean Energy Council's Approved Product List due to the existence of components detected in the testing which was outside the scope of the modules' certificate.

What is a GCL solar warranty?

The product warranty is designed to cover manufacturing faults in the panel that leads to damage or malfunction and is typically 10 years for most solar panel manufacturers. All GCL Solar panels offer a 10 year standard product warranty which is effectively the minimum expectation of the solar panel market.

Are GCL solar panels available in Australia?

While in the Australian market some of GCL's solar panels are approved by the Clean Energy Council - none of the major distributors list their solar panels as available. As at June 2021 none of the installation companies on Solar Choice's platform have GCL solar panels listed as one of their offerings.

Is GCL solar a top performer in PV evolution labs 2021?

GCL Solar made a first appearance as a top performer in PV Evolution Labs 2021 report. GCL Solar Panels was listed as a top performer for 4 performance tests (thermal cycling, mechanical stress sequence, PID, LID+LETID) in the latest report.
