What kind of tiles does Havana use?

Havana pays tribute to hydraulic tiles, playing with their essence in different combinations. Ranging from the larger compositions to designs that disarrange the weave, Havana plays with the timeless style of hydraulic tiles in the 20x20 format. Range available in 4 versions: Jazz, Soul, Retro and Blues.

What makes Havana unique?

Classic geometries that modernize spaces to make them eternal. Havana pays tribute to hydraulic tiles, playing with their essence in different combinations. Ranging from the larger compositions to designs that disarrange the weave, Havana plays with the timeless style of hydraulic tiles in the 20x20 format.

What is a Havana floor?

Inspired by the traditional hydraulic floor, also known as cement tiles, the Havana Collection is the perfect accent to any space. Its pattern brings color and design that merges the classic and modern looks while enhancing any project with its decorative elements.

What is the Havana Collection inspired by?

The Havana Collection from Paramount Flooring, with its bright hues, is inspired by 1950s Cuba, known for its beaches, culture, vintage American cars and Spanish colonial architecture.
