Discover the essential considerations for lithium battery pack customization, from battery cell and BMS selection to cost and lead time for OEM projects.

At Lithion, all of our battery packs are of the highest quality and efficiency. To simplify your choices, you can contact us and together we can talk through your unique energy requirements to create custom ...

Custom Power is a premier custom battery pack manufacturer, specializing in complex Defense & Aerospace, Medical, and Industrial applications. We specialize in custom lithium-ion designs and ...

Our proprietary technology makes it possible to create custom battery packs to meet various operating requirements cost-effectively. See our cold temperature-tolerant custom battery pack, surge-and ...

CMB is a custom battery pack manufacturer delivering high-performance lithium solutions for demanding applications and extreme environments.

Explore our high voltage lithium battery packs, ideal for high-power industrial and commercial energy storage projects.

Our multi-protocol BMS provides 3-stage protection (voltage, temperature, current) and allows for real-time monitoring and adjustments. Our team provides free 3D design, custom BMS development, and ...

Order custom high-voltage battery pack manufacturing from Voltaplex. We are your trusted partner for manufacturing the high-voltage lithium-ion batteries your operations need.
