Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

This innovative project seamlessly integrates a state-of-the-art solar photovoltaic (PV) carport with a high-efficiency liquid-cooled outdoor cabinet to create a smart, sustainable, and self-powering ...

Summary: Discover how photovoltaic inverters are transforming airports into clean energy hubs. This article explores the latest solar inverter technologies, cost-saving strategies, and real-world ...

The Outdoor Cabinet Energy Storage System is a fully integrated solution that combines safe battery storage, intelligent power management, and weatherproof protection for solar and telecom applications.

Our energy storage cabinet systems provide efficient solutions for commercial and industrial (C& I) applications, including battery storage, outdoor cabinets and solar systems, ensuring reliable ...

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

Engineered for high-capacity commercial and industrial applications, this all-in-one outdoor solution integrates lithium iron phosphate batteries, modular PCS, intelligent EMS/BMS, and ...

This guide provides step-by-step instructions on how to install your R-BOX-OC outdoor solar battery cabinet, including site selection, assembly, wiring, and system testing. [pdf]
