Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...

The company specializes in the production of high-efficiency monocrystalline solar panels and silicon wafers, offering innovative solutions for a sustainable energy future.

LONGi Solar are one of the world-leading mono-crystalline module manufacturers. We stock LONGi 375w to LONGi 500w solar panels and beyond, with datasheets accessible via our product pages ...

Longi Solar is a global manufacturer of mono-silicon solar panels. They produce highly efficient and cost-effective solar panels for value based solar power systems.

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on ...

We are a leading wholesaler and distributor in the global photovoltaic industry, specializing in supplying a comprehensive range of high-efficiency solar modules.
