Who is building a solar power plant in Mozambique?

The Spanish group TSK has won the contract to build the Cuamba solar power plant in the Niassa province of Mozambique.

Will Cuamba solar deliver clean power to the Mozambican grid?

Mike Scholey, Globeleq's CEO remarked: "We are extremely excited to now have Cuamba Solar officially delivering clean power to the Mozambican grid via EDM and supporting both the local economy and the Government's efforts to build more renewable power.

What is Globeleq's first greenfield project in Mozambique?

The US\$36 million Cuamba Solar plant is also Globeleq's first greenfield project in Mozambique and the Group's first combined solar and storage plant in its operating portfolio.

Why should you invest in the Cuamba solar and storage plant?

"The Cuamba solar and storage plant will provide greater energy security and stability in this region of Mozambique and marks a turning point for the Cuamba district. Globeleq, Source Energia and EDM have all invested in this project - a public-private partnership that demonstrates the confidence of international investors in Mozambique.

Solar container application Mozambique Central Europe in When did Globeleq & Mozambique launch a solar power plant? er plant in Cuamba was inaugurated in September of 2023. It marked another ...

Mozambique photovoltaic energy storage project Mozambique's Ministry of Mineral Resources and Energy has kicked off a tender for the development of decentralized solar and battery storage ...

Mozambique: Construction begins on solar-battery project Construction has begun on the 19MWp/15MWac Cuamba solar PV plant with 2MW/7MWh battery storage in Mozambique, project ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency

How Mozambique Is Pioneering African Energy Storage The 50 MW/200 MWh Cuamba Solar-Storage Hybrid Project demonstrates Mozambique's innovative approach. Commissioned in January 2025, ...
