BLUESUN 700W Bifacial Solar Panel 720w Double Glass Module 730w N-type Anti PID High Transparency for Project

Dual glass is the preferred structure for the rear side cover of the N-type modules because the glass-glass version can maximize the advantages of the N-type.

JA Solar JAM72D40 600W N-Type Bifacial Double Glass Module offers exceptional durability and efficiency for residential, commercial, and utility-scale installations. Engineered as a high-efficiency ...

This module features N-Type bifacial technology, allowing it to capture sunlight from both its front and rear sides. IP68-rated junction box ensures protection against dust and water.

N bifacial dual glass Monocrystalline module PRODUCT: TSM-NEG21C.20 PRODUCT RANGE: 695-720W

Excellent Bifacial solar Appearance and Performance cell, symmetrical design, low risk of micro-crack

In this work, the industrial glass-glass module was developed using bifacial n-type solar cell. The passivation emitter and rear total diffusion cells (PERT) structure solar cell combined boron ...

Up to 95% Bifaciality Natural symmetrical bifacial structure bringing more energy yield from the backside.
