NTS has worked with a variety of collaborating music partners, brands, arts institutions and public bodies. Every month, NTS curates live music experiences at the Tate Lates event series at the Tate Modern gallery in London - an event that is co-sponsored by clothing brand Uniqlo. NTS has an artist development programme called Work In Progress, which aims to take six artists to the next stages of their musical careers. Supported by Carhartt, Work In Progress is run in partnership with Arts Council England

Home to two live radio channels broadcasting 24/7 and hundreds of thousands of hours of human-curated shows, NTS is one of the world's most revered music archives.
