What are the tables in the photovoltaic module report?

The tables in this report are: Table 1. U.S. photovoltaic industry status Table 2. Value and average value of photovoltaic module shipments Refer to Table 3. Refer to Table 3. Table 3. Monthly photovoltaic module shipments This table includes the total shipments, values, and average values of module shipments by year and month.

Why are photovoltaic module import shipments not published?

U.S. shipments and sales to the original equipment manufacturer (OEM) for resale and export shipments are not published for certain months to protect individual company data. Table 7. Photovoltaic module import shipments by country Imports at the national level are included in Table 6.

Do I need to report a monthly photovoltaic module shipment report?

Beginning in January 2017, we required some of the respondents for the annual survey Form EIA-63B, Photovoltaic Module Shipments Report, to report monthly data. The subset of respondents now must report monthly accounts for about 90% of photovoltaic (PV) activity in the United States, based on 2021 data.

Do you have to report a monthly photovoltaic account?

The subset of respondents now must report monthly accounts for about 90% of photovoltaic (PV) activity in the United States, based on 2021 data. Data collected on both the monthly and annual Form EIA-63B are protected from disclosure of individual company data. As a result of this protection, monthly data are not published in some tables.

To do so, download the quote template in the format that suits and insert the key elements including your name, company name, customers name and current date. Every single citation has to have a ...

Data source: U.S. Energy Information Administration, Form EIA-63B, Monthly Photovoltaic Module Shipments Report Note: Includes both domestic shipments and exports.

Download free solar quotation templates (PDF & DOCX) for residential, commercial and industrial projects. Includes BOQ, GST breakup, milestone payments and e-sign ready acceptance.

Ever tried explaining photovoltaic panel classifications to customs officials? It's like teaching quantum physics to a golden retriever - absolutely essential but painfully technical.
