What types of water & solar power solutions are available?

We specialise in a large variety of submersible pumps, drainage pumps, pressure pumps, booster systems, borehole pumps, centrifugal pumps, fountain pumps, multistage pumps, monoblock pumps, bareshaft pumps, and all pumping accessories. Browse our water and solar power solution categories to find the right one for your application.

Are solar water pumps suitable for irrigation systems?

Submersible and borehole solar pumps with controller available. Perfect for irrigation systems and agricultural use. Submersible and borehole solar pumps with controller available. Perfect for irrigation systems and agricultural use. Solar Water pumps prices for sale

What is solar Wheeling in South Africa?

SOLA pioneered the large-scale wheeling of renewable power in South Africa with the implementation of the 10MW Adams solar PV project for Amazon. Additionally, our 200MW solar wheeling facility for Tronox Mineral Sands is the second of this type to deliver power to the grid, and helps Tronox offset over 420,000 tons of carbon annually.

MechChem Africa reported on the unique hydraulic, lubrication and conditioning monitoring expertise and solutions offered by HYDAC South Africa for solar thermal power (CSP) plants.

Discover the power and efficiency of our Solar Borehole Pumps by Bundu Power, designed to provide sustainable water solutions for your agricultural and residential needs.

Looking for borehole pumps in South Africa? Our solar-powered submersible pumps and positive displacement screw pumps are ideal for off-grid farms, homes, and deep wells. Each pump includes ...

HYDAC International designing and manufacturing several auxiliary systems. Solar thermal plants use concentrated sol.

Vega Solar Borehole pump only 250 Watt, 24V. Max head 60m, max flow 1.2m<sup>3</sup>/h. Excludes 300W solar panel. Vega Solar Borehole pump combo 250 Watt, 24V. Max head 60m, max flow 1.2m<sup>3</sup>/h. Includes ...

Welcome to Hydro Pumps, a leading water and solar power solutions supplier. We supply various pumps from our factory in Pretoria East to anywhere on the African continent.

At VDM Control Solutions, a leading supplier of industrial, control, and automation valves, our commitment to excellence extends to the solar sector, where we specialise in refurbishing the ...

SOLA is a 100% South African, vertically integrated renewable energy company that provides solar infrastructure, generation and energy storage.
