Should South Ossetia be united under Russian rule?

South Ossetia is heavily dependent on Russia, and due to this and the fact that North Ossetia is already part of the Russian Federation, it has been proposed that both regions be united under Russian rule.

Is South Ossetia a sovereign state?

As of 2024, five members of the United Nations (UN) recognise South Ossetia as a sovereign state - Russia, Venezuela, Nicaragua, Nauru, and Syria. The Georgian government and all other UN member states regard South Ossetia as sovereign territory of Georgia.

What currency does South Ossetia use?

South Ossetia's official circulated currency is the South Ossetian ruble, modelled off the Russian ruble, with the same denominations, decimalised to 100 Kopecks. [citation needed] South Ossetia mints 1, 5, 10, 20 and 50 Kopeck coins, as well as 1, 2, 5, 10, 50 and 100 ruble coins. South Ossetia does not print any paper money.

How is South Ossetia governed?

South Ossetia's legislative body is the unicameral parliament, which consists of 34 members who are elected by popular vote for five years in a mixed system of 17 single-member constituencies and 17 delegates elected through proportional representation (article 57).

However, Eduard Kokoity, the then president of South Ossetia, later stated that South Ossetia would not give up its independence by joining Russia: "We are not going to say no to our independence, which ...

OverviewPolitical statusHistoryGeographyPoliticsDemographicsEconomyCultureFollowing the 2008 South Ossetia war, Russia recognised South Ossetia as independent. This unilateral recognition by Russia was met by condemnation from Western Blocs, such as NATO, Organization for Security and Co-operation in Europe (OSCE) and the European Council due to the violation of Georgia's territorial integrity. The EU's diplomatic response to the news was delayed by disagreements between ...

For South Ossetia to navigate these challenges and attain its food security goals, a two-pronged approach is pivotal. First, an innovative overhaul of its agro-industrial sector is necessary, promoting ...
