President Pezeskian visited the exhibited electric vehicles at Mirad Tower and expressed his gratitude to Tehran city and the Ministry of Industry, Mines and Trade, noting that consultations ...

TEHRAN, Feb. 20 (MNA) - Iran's President Masoud Pezeshkian on Thursday attended a ceremony to unveil the first batch of electric vehicles for public transport in the capital, Tehran.

The new all-electric crossover car was unveiled at a ceremony held at Tehran International Permanent Fairground on October 30, 2023. The Skywell (Nebka) ET5 is a result of the ...

Iran's President Masoud Pezeshkian on Thursday attended a ceremony to unveil the first batch of electric vehicles for public transport in the capital, Tehran.

During this ceremony, 189 electric urban buses, 1,752 electric urban taxis, and 150 electric vehicles designated for police traffic units were unveiled through a live video conference.

Eighty-five electric buses from a Chinese contract have arrived in the Iranian capital, whilst 116 additional units will enter the capital within the next two weeks, Shahr reported on July 2.
