With Vivint Solar, the days of worrying about rising energy bills or power outages could become a distant memory. Could this be the ultimate solar solution for your home, redefining how you harness the ...

Vivint Solar was founded in October 2011 as the solar division of the home automation and security company Vivint. The company marketed solar as part of its Smart Home product, with customers able to track energy consumption to save electricity. In November 2012, the Blackstone Group acquired a controlling interest in Vivint, Vivint Solar, and 2GIG Technologies for in excess of \$2 billion. After the Blackstone acquisition, the solar division became a s...
